DELTA STATE UNIVERSITY COLLEGE OF BUSINESS AND AVIATION	DELTA STATE UNIVERSITY
	COLLEGE OF BUSINESS AND AVIATION
	BACHELOR OF COMMERCIAL AVIATION – FLIGHT OPERATIONS
NOVEMBER 30, 2022	STUDENT ACHIEVEMENT DATA

Flight Operation's Mission

The Department of Commercial Aviation's mission is to provide a quality educational experience at the undergraduate and graduate level in the aviation sector. Graduates of this program will have the skills to perform in flight crews.

Flight Operation Program Goal

- The Flight Operations Degree provides students with the knowledge and skills to pursue a professional pilot career. Through a combination of both classroom and flight training, a student majoring in Flight Operations will acquire the following certificates and ratings: Private Pilot Instrument Multi-engine, Commercial, Certified Flight Instructor, and Certified Instrument Flight Instructor.

Flight Operation Program Educational Learning Outcomes

- Flight Operations majors will possess the knowledge and skills necessary to fly an airplane at the commercial pilot skill level in both single and multi-engine airplanes under both VFR and IFR.
- Flight Operation majors will have a thorough and comprehensive understanding of federal aviation regulations.
- Flight Operation majors will possess appropriate technical communications skills for the aviation industry.
